

“The Foundation For Building Your Dreams”

Workshops

“Teamwork Makes the Dream Work”

This session is designed to assist participants in understanding their roles and responsibilities, and how to work as an effective team utilizing each individual's areas of expertise. This session demonstrates how to effectively maximize on the understanding of the different committees and ministries of the church.

Additional areas of focus will be time management, producing effective change agents, and the three essential skills to P.D.R. – **P**rocess, **D**o, and **R**eview. This session provides fun to strategic organizational action planning, designed to energize, inspire, motivate and enhance the mindset of your congregation. Therefore, as you and your ministry desire to enhance your worship experience, then “Team Work Makes the Dream Work” is the next step to setting the foundation for building your dreams.

“It Only Takes Everything You’ve Got”

This session is designed to compliment and support Young Adult and Youth ministries in identifying that *THEY’VE GOT IT*. The talent, “it’s in there”; the skills, “it’s in there”; the ability to do it when others say it cannot be done, “it’s in there”. Many people ask the question, “Where is there”? There is the secret place, deep down inside of... Guess Who? **YOU**. The areas of focus are Leadership 101, Purpose, Time Management, and Responsibility. Upon the completion of this session, participants will gain a true sense of the roles of leadership versus the titles of leadership, accountability, and apathy versus sympathy. Incorporating these tools and strategies, participants will have the opportunity to evaluate this question, “where do I go from here?” Answer, “**Anywhere!**”

“The Foundation For Building Your Dreams”

“How to Secure Old School Worship with a New School Praise...It’s All About Leadership”

Does your church desire to embrace a new experience in praise and worship, but still struggles? If so, this workshop is specifically designed to support pastors and church leaders and provide areas of teaching, training, and development. Some of the areas of focus will be education beyond the “BOOK” because it’s all in the “BOOK”. Understanding your roles and responsibilities as a leader and best strategies to effectively support your appointed leaders.

“Servant Leadership”

Welcome to **“Leadership: Extreme Make Over”**. In some shape form or fashion, we all participate or function in some *leadership* role. This session will focus on the B.E.S.T. model to improving core values, practices, leadership skills, and ultimately to cultivate positive relationships with methods that are practical and applicable. The **B** will assist individuals to Build ministries and evaluate previous challenges. This will allow participants to identify what has worked, what is working, and what will work. The **E** will focus on strategies to Evaluate leaders, as well as, others that chose to be committed to teaching and discipleship. The **S** will focus on embracing participants’ roles as Stewards and prepare the leaders to effectively get the most out of non-engaged members. Finally, the **T** will focus on supporting the power of strong collaborations, which is a *team* model that creates a platform for high productivity and best strategies of how to reach active and apprehensive members.

“Operation Next Level”

Do you struggle with appointed leaders that sometimes appear or act un anointed? Or does **Tradition** out **Treasure True** worship? Or maybe your leadership team is new and willing, but inexperienced? If this sounds like something that can transition your house of work to a house of worship, the Operation Next Level for

you. This workshop will focus on how to effectively discipline but not destroy one’s spiritual growth. Best practices and strategies on creating financial empowerment and how to effectively obtain and sustain effective ministries.

“RCA”

The **RCA** will encourage students to build healthy relationships with their peers and staff as well as having a positive outlook on their education. This keynote will focus on the power of students engaging in a holistic approach to curriculum. Students will be provided strategies on listening, note taking, and classroom discipline. This address will also assist students with the understanding that attitude is a little thing that makes a big difference whether it’s in the hallway, classroom, bus stop, or bus drop. Upon obtaining the **RCA** components, students will be able to understand rigor, appreciate relevance and value rapport and allow us as educators to use the keys to unlock the doors.

“Extreme Curriculum Makeover”

Not enough hours in a day to write, read, and review. More meeting than processing time, and yet the school must meet the educational goals for the year. If these statements represent those that run through your mind, then this session is designed solely for you. Welcome to Leadership: Extreme Curriculum Make Over. In some shape, form or fashion, we all participate or function in some leadership role. This focus session/workshop will speak about B.E.S.T. strategies to improving core curriculum practices, classroom leadership skills, and ultimately to make teaching methods practical and applicable.

“Mission Critical”

This Professional Faculty/Staff Development session is designed to support, and motivate the educators, while sharing successful techniques to avoid “Burn-Out”,

“The Foundation For Building Your Dreams”

reduce stress, and demonstrate effective strategies to get the most out of students until the end of the academic year. **“Mission Critical: REAL Students, REAL Problems, and REAL Solutions”** Dream Builders Communication, Inc. (DBC) continues to have major success with school systems across the country assisting in areas such as increasing test scores, decreasing oppositional behavior, and providing practical skills to teachers that may be applied daily to assist students while not giving up on education, life, and themselves. The areas of focus will be how to empower students, manage the workload, and emotions, as well as providing strategies on getting and staying on task with class work, homework, and testing. DBC will provide participants with tools in “relating verses debating”, more math than media, more reading than rapping, and the proper attire to assist students to aspire.

“Start Right, End Right”

This workshop is designed to initiate support engines for the most critical time of an incoming students’ academic career. DBC will provide tools to increase students’ academic achievement, time management, and leadership skills. Additional areas of focus will emphasize on the importance of Attitude, Expectations, Effective Communication and Responsibility. So as you embark on a journey through the key elements of successful student vision – your passion, planning, and pursuit. This session blends expert workshop instruction and hands-on activities that allow you the best opportunity to utilize the major success techniques to fulfill your dreams.

“Leadership (Senior Staff & Management)”

Whether you are a novice, or an experienced manager, this session is designed to assist in overcoming the **“Barriers of Communication and High Performance”**. This interactive session will focus on **Inspecting What You’re Expecting, Perception versus Reality, Effective Strategies to Reach the 21st Century Team, and Diversity/Inclusion**. To ensure that participants will be able to implement strategies shared in this session, every leader must begin with
